

Walking in the drum beat of God

GOD IS LOOKING FOR WORTHY PEOPLE NOT JUST PPEOPLE{Thamana}

Matthew 10:11 {we can't walk in the drum beat of God if we are not worthy persons}

Only worthy persons are fit to welcome good news bearers

This year we better be good news bearers!

Matthew 10:37

God is looking for worthy people to serve and work with

Who is worthy?

- Someone who is faithful in all areas [faithfulness is following through something]
- Humble and not proud
- Teachable
- Willing to be positively challenged and corrected
- Flexible and not stuck to the system's that this is how it works, God can make it work differently

God is looking for people who have made up there minds to be disciples of Jesus {people who are faithful, humble, teachable, flexible and willing to be challenged and corrected positively to work with}.

People who are willing to answer to the call to be disciples of Jesus

If we are not willing, we have to excuse those who are and give them a break,we need to be open minded and solution oriented not problem oriented. It's time to think positively

[Phil 4:8]

God is not after numbers

Gen 6 / 1Peter 3:17-20

God destroyed more than 2million people through the flood

God is not after numbers but after faithfulness. He can grow this church without anyone of us

As a matter of a fact God doesn't need us, we are the ones who needs God!. If God has

chosen to work with us its a privilege not coz he can't work without me or you

Matthew 12:30

It's time for all of us to declare our stand coz we are either with God or with the devil, either with the people of God or against them

John 6:53-71

Worthy people are people prepared for hard teachings coz there is where there is life

Again we see here God is not after numbers he even asked the twelve men that he had invested in them so much if they wanted to leave him too!

This is God's church and it can continue without me or you

Luke 3:8-14

We should not lie to ourselves or deceive ourselves that we are Jesus disciples while we are disobedient to every word spoken in the Bible

God is not in need of us if we are not in need of him and that's why he can raise stones to praise him if we are not willing to praise his holy name
