

WHO IS GOD.....

GOD IS ALL KNOWING

Many are times we think we know it all ,we even attempt to advice or even instruct God less did we know God knows it all!

When we address human being as Mr knowing it all is not a great thing

But our God knows it all

Job 31:1-4, 4

Job was replying to his three friends who accused him being a bad Man and God punishing him for his bad deeds but in his reply he is letting us know something!

According to Job God was aware of his ways and could even count all Jobs steps

This is the God we worship today a God who is all knowing

We should not think we will hide from God!

Sometimes human does or even Christians do things as if they are not aware that God is on the look

What does he say of those Christians!

Haggai 1:5, 7

This was the message from Haggai to the Israelites who were not careful on building Gods house

God was observance of their ways and he is as well observance of our ways

- They lived in paneled houses, while God house was in ruin

This happens to us in many ways

If God knows our ways, we need to think carefully about our ways.

There are times in life we go through difficult moment's coz of our own design

We need to get keen on our ways and adjust so that we may be blessed by God

Verse 6, 9 [to the Israelites he said]

- You plant but harvest little
- You eat but never have enough

- You drink but never have your fill
- You put on clothes but are not warm
- You earn wages only to put them in a purse with holes in it
- You expect much but it turn to be little

Even what they brought home, God blew it away and why because of Gods house that remained in ruin while people were busy with their own work

Therefore **verses 7** give careful thoughts to your ways

BE aware of your ways and steps

Verse 9

We all need to build Gods house in our own ways

Quiz; What area of Gods house are you building today?

God know our strengths and the far we can go and so you can't hide from him

Psalms 139:1-6

According to David there is no place we can hide from God even the deep place we may think God is aware

Does this shock you that

- God knows when you sit and when you arise
- That he perceives our thoughts from afar
- That he discern our going out and our lying down
- That he is familiar with all our ways
- That even before a word come on our tongue he knows it completely

Verses 6 this was wonderful and lofty for DAVID to attain

This is the God we worship today

Understanding God gives us the right perspective of who is really is which allows us to worship him in a better way

GOD IS ALL KNOWING!!!
